Re: ET Docket 01-278
RM-9375; RM-10051

Dear Ms. Dortch:

On June 25, 2002, Joslyn Read of Hughes Network Systems, Inc. held a phone conversation with Julius Knapp of the FCC Office of Engineering and Technology concerning the above-referenced proceeding. In this conversation, I emphasized the need for the Commission to take action promptly, reiterated the need to adopt emissions limits that protect the Ku-band satellite frequencies, and also discussed other positions of record in this proceeding.

Sincerely,

/s/ Joslyn Read
